

WINNER 2007

Winner Can of the Year 2007

Ball Aerosol & Specialty division (USA)

Meguiar's Car Wax. The novel tin developed by Ball Corporation for Meguiar's Gold Class Car Wax that won the Can of the Year 2007 overall prize was designed to reflect the enthusiasm that auto fans put into their vehicles.

A dedicated production line and tooling was installed at Ball Aerosol and Specialty Packaging's plant at Baltimore, Maryland.
